Kasdienybės

Bakehouse - a place passionate about bringing you the best of both worlds: delicious, freshly brewed coffee and mouth-watering pastries. Here you will find freshly baked croissants, New York style cheesecakes and quick bites for lunch. We take great pride in serving high-quality coffee to our customers. Our coffee beans come from the best local roasters and take the time to brew each cup to perfection. Our super friendly staff is always here to greet you with a warm smile and will go

above and beyond to make your experience here the best it can be.
