BOLT KAUNAS

Bolt - smart way to move in Kaunas. Download the app for iPhone and Android smartphones. Your personal driver is just a tap of a button away. How does it work?

1. Add the card to the app to be able to pay with the app before requesting a ride - it's much more convenient!
2. Set your location and enter the destination address, choose a car that matches

your style and budget.

3. Track your driver on the map.

4. Rate your trip - this way you will help us improve the quality of services.

Travel for business conveniently - use Bolt for your personal or business travel. You can switch payment methods with just one tap of a button.

Use the promo code **KAUNASIN** and get a discount of up to **7 EUR** for your first trip with Bolt (not valid for scooter service).

**7€ OFF your first  
ride with Bolt**

**ENTER THE CODE: KAUNASIN**
