The major aim of Cosmetic Dentistry Clinic "ProDentas" is to provide You the best possible dental care. We guarantee friendly atmosphere, good conditions for You and Your family and especially we pay great attention to children.

The two modern clinics are situated in Silainiai district, Kaunas. Our clinics provide

well-equipped dental surgeries and sterilization chamber and comply with all European Union standards. Our clinic "ProDentas A" uses only high quality materials and the latest technologies. We have installed German dental equipment SIRONA.
