"Pro-implant" is an International Clinic of Implantation and General Dentistry, which offers dentistry innovations, German medical standards and technologies, sedation dentistry, patients safety and ultimate comfort, English-speaking staff. Clinic was established in 1995. In the year 2000 became an equal partner with the International Institute of Implantation Pro-implant (Germany). Director of the Institute M.D. Bernhard Giesenhagen is constantly coming to clinic to advise patients.

Dentistry innovations. Head doctor of the clinic Darius Pocebutas specializes in dental implantation using an innovative method - Bone Ring Technique, which allows to make bone augmentation and dental implantation at the same time. The patient's treatment time is reduced by 5-6 months.

Laser dentistry. Clinic is equipped with a wide range of high quality advanced technology - Waterlase IPLUS dental laser. Waterlase IPLUS is a revolutionary device that combines YSGG laser energy and water. This allows to perform many traditional procedures more accurately, quicker and with nearly no pain. We perform laser mucous membrane and periodontal tissue treatment.

CEREC CAD/CAM - one visit dentistry. The advanced technology CEREC CAD/CAM allows to perform dental restorations during one visit. The system produces all ceramic inlays, onlays, crowns and veneers directly in the clinic. The system eliminates the need for impressions and temporaries.

Sedation dentistry. Clinic offers dental treatment using deep intravenous sedation.

Patients safety and ultimate comfort. Comfortable environment and English-speaking staff helps patients to reduce dental anxieties and phobias.

Reliable partners. Clinic works together with a dental technician Holger Abendroth (Germany). Dental Laboratory Technician product helps to achieve a particular aesthetic dental prosthesis and function.

Clinic's services: dental implants, proesthetics, laser dentistry, dental filling, cosmetic dentistry, endodontics, orthodontics, periodontal treatment,surgical treatment,oral hygiene,teeth whitening,children's dentistry.
