MANILLA MEDICAL SPA centre is a place inspired by Oriental culture. Here, you can enjoy exclusive facial and body treatments, professional cosmetology services, that are scientifically justified and based on the latest technologies, and MANILLA SPA rituals for two. The SPA centre offers you the opportunity to relax and to get a break from the tense rhythm of city life and the daily routine, and enjoy an exclusive attention to you and your relaxation. Natural MANILLA cosmetics, which have already become favourite among our clients and are appreciated by them, are

used for all body and facial treatments. You can try MANILLA cosmetics only in our SPA centre!

The interior of MANILLA MEDICAL SPA centre enchants immediately upon entering through the door. Here, great deal of attention is paid to unique elements. The authentic furniture, that has been specially ordered and made in Bali, creates an exclusive environment in the SPA centre.

Our goal is to help maintain, through the use of natural wonders and the products created from them, your physical and emotional health, by providing personalized treatments for the beauty of your face and body, for your wellness and internal radiance! We are looking forward to seeing you in the oasis of natural pleasures, which is located in the heart of Kaunas city - at I. Kanto str. 22.
