Modern spaces of the conference centre situated in Kaunas dock are suitable for conferences, trainings, presentations, business meetings and group activities. Each room contains all the equipment necessary for presentations: sound system, projector, screen, microphones, teleconferencing facilities. The conference centre is equipped with a cloakroom in the welcoming hall for your convenience. There is a possibility to use showers when organizing sports events. Bicycle storage is also available.

In Fresh Buffet, you may order lunch or continue meetings in an informal setting.
