UNO Parks

Treetop climbing is an outdoor sport for families and outdoor enthusiasts of all ages. Physical training is not required. After safety instructions, participants use safety harnesses to climb trails made of small platforms, constructed at various levels in the trees and connected by ropes and wood obstacles. Find out more about us by reading the questions in our FAQ. UNO Parks own 4 adventure parks in Lithuania: in Vilnius, Kaunas, Šiauliai and Druskininkai.  and experience this emotional activity and enjoy nature!
