Capitals Golf Club Activities

Since 2006 Golf season Capitals Golf Club started to develop not only the club traditions, but also the whole of Lithuania golf courses. During its first year of existence, the club has organized over 30 events and 250 events. Until the first club birthday, a significant number of club members has been gathered - nearly 200 members have been sold. Since 2006 The Capo Golf Club Pipiro Academy also has a new generation of golfers. 2007 In summer, a children golf camp was organized. More and more women are coming to the golf course in 2006. founded a "women club". Club members meet once a week, play golf, share skills, and have a nice time at the clubhouse restaurant. 2006-2007 In the winter, ski slopes were planned to be installed annually, taking into account weather conditions.

Achievements

2008 The Capital Golf Course in the US magazine GOLF INK was selected as the best new 2008 project in the international division (the entire world except the USA). The project outpaced a "grenade" in the tune of Jack Nicklaus. Designed Punta Espada Golf Club in the Dominican Republic and Pete Dye in the Mission Hills Golf Club in China.
