Žalgiris Kaunas is without a doubt the number one team in the entire country of Lithuania. And Lithuania on its own is one of the few countries in the world where basketball is the number one sport. Here it is often referred to as the second religion. The club and the fans have achieved an outstanding result for all their work, as Zalgirio Arena is always surrounded by unforgettable emotions, no matter the result of the game. During the 2018-2019 season, Zalgiris broke the all-time EuroLeague regular season attendance record, with an average attendance of 14 808 fans. With 15 415 seats available in the building! The atmosphere in the arena is simply the best. #ZALGIRISVIRGIN, the club encourages the people who want to be a part of real sport emotions, but never tried Zalgiris game in the flesh, to lose their Zalgiris virginity by making their way to the Zalgirio arena and living out an unforgettable experience. It is not just the victories or even basketball itself that draws crowds to the gorgeous Zalgirio Arena, though. It is truly a must-see during your stay in Lithuania, and quite frankly, a reason to visit the country on its own. The #ZALGIRISVIRGIN package includes ticket, Zalgiris scarf and a manual, that will get you fully prepared for the game with the club's history, achievements, some basketball terminology, the most popular chants and a to-do list for every real green-and-white fan. For those who may still be unaware of it, there might not be one single thing in Lithuania, larger than basketball. With that said, there is no bigger team in basketball here than Zalgiris. First times are always exciting and nerve-wrecking, and Zalgiris Kaunas promises that you will want more. Consider this as the club's direct invitation to lose your Zalgiris virginity.
