 II ☐ V 10 AM ☐ 6 PM, VI 10 AM -
4 PM

In 2011, Pažaislis Monastery opened heritage exposition and educational class in southern officina of the Monastery, which has a vaulted cellar, equipped with a small cinema. There are educational classroom where can be hold educational programs, which are conducted through inclusive heritage of the creative process for both children and adults. Attention is paid to the history of the monastery, which reflects the cultural epochs of state and

even the political thinking of the facts.
