The museum contains a collection of more than 3,000 devils: creations of fine and applied arts, souvenirs and masks not only from Lithuania but from around 70 countries. Every year thousands of guests who are interested in looking at this mythological creature visit the museum. You will find exhibits that correspond to your character features at The Devils ☐ Museum! There exists a great tradition: guests may present the museum with a devil.

The museum is a TIF (Tourism information friendly) place. Here you can find useful information for tourists - city maps, city guide, in here you can get answers to most important questions about the city.
