The hospitality programme "Experience Kaunas A offers the services of Culture Hosts - locals, determined to show their hometown. More than 200 people from Lithuania and abroad have already enjoyed the special tours!

If you have already seen the main tourist attractions of the city, it is time to descend into unexplored urban areas. Culture Hosts are ready to talk about street art, reveal the secrets of various districts and even explore some tunnels and dungeons. Through the eyes of those who know the city inside out, Kaunas will

reveal its lesser-known side, while you will get some useful tips for the evening activities. Book a tour with Culture Host: <https://kaunas2022.eu/en/experience-kaunas/>
