At the beginning of the 20th century, Kaunas was called "Little Paris". The capital city lived a colourful, effervescent life, and its driving force was the charming Kaunas ladies who kept pace with fashions, manners, and lifestyle of West European cities. During the tour "Kaunas Compliments Women" you will learn about Kaunas high society life, about scarves made by using special shabori technique, taste the magic love potion "Liubčik" and discover some secrets about jewelry in the Jewel Museum.
